## A SHORT STORY

*by A. U. Thor*

Once upon a time,  
in a distant galaxy  
called Ööç, there lived  
a computer named R. J.  
Drofnats.

Mr. Drofnats—or  
“R. J.,” as he preferred  
to be called—was happi-  
est when he was at work  
typesetting beautiful  
documents.
